What's the matter with your life?
Why you gotta mess with mine?
Don't keep sweatin' what I do
'Cuz I'm gonna be just fine, check it out

If I wanna take a guy
Home with me tonight
It's none of your business
And if she wanna be a freak
And sell it on the weekend
It's none of your business

Now you, shouldn't even get into
Who I'm givin' skins to
It's none of your business
So don't try to go and change my mind
I'll tell you one more time
It's none of your business

Now who do you think you are
Puttin' your cheap two cents in?
Don't you got nothin' to do
Than worry about my friends? Check it

I can't do nothin', girl, without somebody buggin'
I used to think that it was me but now I see it wasn't
They told me to change, they called me names and so I
popped one
Opinion's are like assholes and everybody's got one

I never put my nose where I'm not supposed to
Believe me, if he's something that I want, I'm steppin'
closer
I'm not one for playing high-pole
Like the house of ditty 90210 type of the ho'

I treat a man like he treats me
The difference between a hooker and a ho' ain't nothin'
but a fee
So hold your tongue tightly, wish you could be like me
You're poppin' all that mess only to stress and to spite
me

Now you can get with that or you can get with this
But I don't give a shit 'cuz really it's none of your
business

1993, S and P, packin' and mackin'
Bamboozlin' and smackin' suckers with this track
And throw the beat back in

If I wanna take a guy
Home with me tonight
It's none of your business
And if she wanna be a freak
And sell it on the weekend
It's none of your business

Now you, shouldn't even get into
Who I'm givin' skins to
It's none of your business
So don't try to change my mind
I'll tell you one more time
It's none of your business

How many rules am I to break before you understand
That your double standards don't mean shit to me?
I know exactly what you say when I turn and walk away
But that's okay, 'cuz I don't let it get it to me

Now every move I make somebody's clockin'
Don't ask me nothin', will you just leave me alone?
Never mind who's the guy that I took home to bone

Okay, Miss Thing never givin' up skins
If you don't like him or his friends what about that
Benz?
Your pep-pep's got an ill rep
With all that macaroni trap for rap you better step

Or better yet get your head checked
'Cuz I refuse to be played like a penny cent trick deck
of cards
No, I ain't hard like the bitches on a boulevard
My face ain't scarred and I don't dance in bars

You can call me a tramp if you want to
But I remember the punk who just humped and
dumped you
Or you can front if you have to
But everybody gets horny just like you

So, yo, so, yo, ho, check it

Double deck it on a record butt-naked
Pep's ass disrespect and this
But it's none of your business

If I wanna take a guy
Home with me tonight
It's none of your business
And if she wanna be a freak
And sell it on the weekend
It's none of your business

Now you, shouldn't even get into
Who I'm givin' skins to
It's none of your business
So don't try to go and change my mind
I'll tell you one more time
It's none of your business

So the moral of this story is, who are you to judge?
There's only one true judge and that's God
So chill and let my Father do His job

'Cuz Salt-N-Pepa's got it swingin' again
'Cuz Salt-N-Pepa's got it swingin' again
'Cuz Salt-N-Pepa's got it swingin' again
'Cuz Salt-N-Pepa's got it swingin' again
