Sexy noises turn me on and on
Talk to me and you can't go wrong
I love the sound of your voice when you make love to
me
And you caress my lips with your tongue

Love it when you whisper down my ears (oooo, baby)
Love it when you breathin' down me face (oooo, baby)
Love it when you rub down me spine (oooo, baby)
Love it when we drink white wine (oooo, baby)

Sexy noises (talk to me) really turn me on (tell it to me,
baby)
Sexy noises (talk to me) really do turn me on (tell it to
me, baby)
Sexy noises (talk to me) really turn me on (tell it to me,
baby)
Sexy noises (talk to me) really do turn me on (tell it to
me, baby)

Now tell me, baby, how many hints must I make before
you get the picture
That I like it when you talk to me? You say it loud what
you say
Don't shy away, say it to my face, talk sweet to me
Go up and down and go round and do all that
But don't forget that I'm a sister with a thing for the
sound
So make a sexy noise when you're on your way down
Yeah, all the way down

Sexy noises (talk to me) really turn me on (I love it when
you talk to me)
Sexy noises (talk to me) really do turn me on (I love it
when you talk to me)

Do anything you like, and do it just how you like it
But when you feel you wanna scream, baby, don't fight
it
Cuz everytime I hear the noise comin' from your lips
You're gonna feel the rotation in my hips

Cuz it's that sexy noise that moves me
And don't stop the lyrics if you don't wanna lose me
Because I wanna know, lover, if I'm doin' it well
But if you don't yell, brother, how can I tell?

Sexy noises turn me on and on
Talk to me and you can't go wrong
I love the sound of your voice when you make love to
me-
