Hey, yeah
I wanna shoop, baby
Ooo, how you doin', baby?
No, not you
You, the bow legged one, yeah
What's your name?
Damn, that sounds sexy

Here I go, here I go, here I go again
Girls, what's my weakness?
(Men!)
Okay then, chillin', chillin', mindin' my business
(Word)
Yo, salt, I looked around, and I couldn't believe this
I swear, I stared, my niece my witness
The brother had it goin' on with somethin' kinda, uh
Wicked, wicked had to kick it
I'm not shy so I asked for the digits

A ho' no, that don't make me
See what I want slip slide to it swifty
Felt it in my hips so I dipped back to my bag of tricks
Then I flipped for a tip, make me wanna do tricks for
him
Lick him like a lollipop should be licked
Came to my senses and I chilled for a bit
Don't know how you do the voodoo that you do
So well it's a spell, hell, makes me wanna shoop shoop
shoop

Shoop shoop ba-doop
Shoop ba-doop
Shoop ba-doop ba-doop ba-doop
Shoop ba-doop

Umm, you're packed and you're stacked 'specially in
the back
Brother, wanna thank your mother for a butt like that
(Thanks, mom)
Can I get some fries with that shake shake boogie?

If looks could kill you would be an Uzi
You're a shotgun bang! What's up with that thang?
I wanna know how does it hang?

Straight up, wait up, hold up, Mr. Lover
Like prince said you're a sexy mutha
Well a, I like 'em real wild, b-boy style by the mile
Smooth black skin with a smile
Bright as the sun, I wanna have some fun
Come and give me some of that yum yum
Chocolate chip, honey dip, can I get a scoop?
(Please)
Baby, take a ride in my coupe, you make me wanna

But I'm wicked, G, hit skins but never quickly
(Yeah)
(That's right)
