Sadik: Yo man (sparking a joint)

Man:Yo

Sadik: I used to play in this marching band man, you gonna think I'm lying, cause I'm telling you, I did.

Man: Not you

Sadik: Alabama A&M

Man: Not you, that's right?

Sadik: That's right, that's where I meet Dawn Robinson at.

Man: Who that fly thang?

Sadik: Boy, don't be calling her fly that's my lil' sister.

Man: (laughing)

Sadik: Also Ali dude, Ali was trying to go to Alabama A & M, but you know. He didn't, he stuck on New York, so you know, he just stayed in New York and froze to death.

Man: Is that the DJ guy?

Sadik: Man shut up, man you don't know you sound fake. But check it out, anyway we used to do umm, " I wanna dance tonight" I had a dream a marching band did it man. I called you know, the school and went back to college man, that's were I got all my degree's at. We just played on graduation.

(Band instruments began to play, "I wanna dance tonight")

Band fades out.
