I was walking down the street looking at my feet. I
didn't have no shoes.
On my way to school, looking like a fool, and everybody
knew.
But it was alright, cause my friends of mine, knew I had
a guitar.
They knew I would play, ?become a big star *. I would
go so far!

Remember the time?
When I didn't have a dime.
We remember the time?
When we didn't have a dime?

Those were the best days

Going down the street, playing at the mall, on them
cheap bikes.
Looking for somebody to steal, somebody to rob and
somebody to fight.
I didn't know my name, as well as i knew my friends,
but I knew we were so cool.
But everybody wanted to play by their own rules. We
didn't go to school.

I remember the time?
When we didn't have a dime.
We remember the time,
When we didn't have a dime.

By the time I was 14 or 15; trying to pass my drivers-
test.
The thing to do was to drive to school, cause i could
never win for best dressed
I drove a raggety car, to sneak in bars, a young boy?s
life has no stress.
Watching cartoons. And popping balloons. That was the
best.

Remember the time?
When I didn't have a dime.

I remember the time,
Those were the Best days
