I said I'm not trippin'
'Cause I'm not trippin'
And now I'm out dipping
Don't knock on my door
I said I'm not trippin'
No I'm not complaining
'Cause you were out slipping
Just don't knock on my door

Wellim knocking at your door baby
Knowing that you feel bad
Because you caught me chaeting
You see I feel bad
But I'm coming over early in the morning
I'm gonna be on my kneewbegging
Apologizing to you baby
Cause you're so sweet to me

I said I'm not trippin'
'Cause you were out slipping
And now I'm out dipping
Don't knock on my door
I said I'm not trippin'
No I'm not complaining
'Cause you were out slipping
Just don't knock on my door

There's been so many times
When you were seen by friends of mine
They've done seen everything
That you doin
Now it's killing me
Because you're someone else's baby
That's just fine, cause now I got me
A piece of mind

I said I'm not trippin'
'Cause you were out slipping
And now I'm out dipping
Don't' knock on my door
I said I'm not trippin'

No I'm not complaining
'Cause you were out slipping
Just don't knock on my door

Stay away from my door come no more
Stay away from my door come no more
