Girl you know I want you
And I don't know what to do without you
All I know is I love you girl
And you need me just like I need you
And I want you baby

No matter what you do
I will hold on to you
You should stay down for me
Follow your heart and you will see
You will see

Without you
I can't walk I can't talk
What can I do
Without you
I can't eat I can't sleep
What can I do
Without you
Nowhere to go nowhere to turn
What can I do
Without you
Without you without you

Try to imagine me and you
Hand in hand as we watch the moon
It doesn't matter where we are
'Cause you are always in my heart
'Cause you are always in my heart yeah yeah

Without you
I can't walk I can't talk
What can I do
Without you
I can't eat I can't sleep
What can I do
Without you
Nowhere to go nowhere to turn
What can I do
Without you
Without you without you

Girl yeah yeah

I love you yeah yeah
You need me too
You know I want you
I want you
Girl I know
You want me too
You know you need me
You need me
Girl you know that
I need you too
You know you love me
You love me
Girl you know that
I love you too
You know you love me
Waht else what else
Meant to be
You see I love you baby
You know I want you baby
And you want me too
You know I need you baby
And you need me too
You know I love you baby
And you love me too

Without you
I can't walk
I can't talk
Waht can I do
Without you
I can't eat
I can't sleep
What can I do
Without you
I'll know one day what to do girl
Without you
Without you without you
Girl yeah yeah
I don't know which way to go
Which way to turn
Without you

I don't even know myself sometimes baby
Without you
I know one day what to do girl
Without you
Without you without you
Girl yeah yeah
