I betrayed, You forgave
I ran away, still You stayed
And I lived a lie, You spoke the truth
Now, I'm undone with no excuse

I cursed Your name, You called me child
I was to blame, You went to trial
And I lived to take, You died to give me more than I
could ever find
And on my own, I made a mess of things

But You take it as my offering
You take the best and worst of me
And peace is at Your throne
Where the broken are made whole

And I can't imagine anything
More beautiful or more amazing
When I bring everything
And You take it as my offering

I'm full of doubt, You're full of mercy
I come unwound but You restore me
When I'm shaking like a leaf, You're the comfort that I
need
That melts my fears away
And on my own, I made a mess of things

But You take it as my offering
You take the best and worst of me
And peace is at Your throne
Where the broken are made whole

And I can't imagine anything
More beautiful or more amazing
When I bring everything
And You take it as my offering

And You take it as my offering
(My life is made an offering)
I'm Yours and Yours alone
(You take it as my offering)

My life is made an offering
I'm Yours and Yours alone

You take it as my offering
You take the best and worst of me
And peace is at Your throne
Where the broken are made whole

And I can't imagine anything
(My life is made an offering)
More beautiful or more amazing
(I'm Yours and Yours alone)
When I bring everything, yeah, when I bring everything
And You take it as my offering
