I can show you the world  
Shining, shimmering, splendid  
Tell me princess, now when did  
You last let your heart decide?

I can open your eyes  
Take you wonder by wonder  
Over, sideways and under  
On a magic carpet ride

A whole new world  
A new fantastic point of view  
No one to tell us no  
Or where to go or say we're only dreaming

A whole new world  
A dazzling place I never knew  
But when I'm way up here  
It's crystal clear that now I'm in a  
Whole new world with you

A whole new world  
With new horizons to pursue  
I'll chase them anywhere  
There's time to spare  
Let me share this whole new world with you

A whole new world  
That's where we'll be  
A thrilling chase  
A wondrous place for you and me
