I can show you the world  
Shining, shimmering, splendid  
Tell me princess when did you last let your heart  
decide  
I can open your eyes take you wonder by wonder  
Over sideways and under on a magic carpet ride

A whole new world  
A new fantastic point of view  
No one to tell us no  
Or were to go  
Or say we're only dreaming

A whole new world  
A dazzling place I never knew  
But when I'm way up here  
It's crystal clear that now I'm in a whole new world with  
you

A whole new world  
With new horizons to pursue  
I'll chase them anywhere there's time to spare  
Let me share this whole new world with you

A whole new world  
That's where we'll be  
A thrilling chase  
A wondrous place  
For you and me
