Listen, baby.

ain't no mountain high,

ain't no valley low, ain't no river wide enough baby,

if you need me, call me.

no matter where you are no matter how far.

just call on my name, I'll be there in a hurry-you don't
have to worry.

(chorus)

cuz baby there ain't no mountain high enough,

ain't no valley low enough,

ain't no river wide enough,

to keep me from gettin' to you.

(ain't no mountain high enough)

Oh!

(ain't no valley low enough)

Oh No!

(ain't no river wild enough to keep me from you.)

(chorus)

Ain't no mountain high enough

Ain't no valley low enough

Ain't no river wild enough

Ain't no mountain high enough!!
