Lady, Morning just a moment away and I'm without you
Once again, you laughed at me
You said you never needed me
I wonder if you need me now

So many dreams that flew away
So many words, we didnt say
To people lost in a storm
Where did we go
Where we go

Lost but we had fun
You know we let eachother down
But then most of all
I do love you

Lost what we had found
You know we let eachother down
But then most of all
I do love you

Still
