Why do you build me up (build me up)
Buttercup baby just to let me down (let me down)
And mess me around
And then worst of all (worst of all)
You never call, baby
When you say you will (say you will)
But I love you still
I need you (I need you)
More than anyone, darling
You know that I have from the start
So build me up (build me up)
Buttercup, but don't break my heart

"I'll be over at ten", you told me time and again
But you're late, I wait around and then (bah-dah-dah)
I run to the door, I can't take any more
It's not you, you let me down again

(Hey, hey, hey) Baby, baby, try to find
(Hey, hey, hey) A little time, and I'll make you mine
(Hey, hey, hey) I'll be home
I'll be beside the phone waiting for you
Ooo-oo-ooo, (ooo-oo-ooo)

To you im a toy, but you could be the boy I adore
If you'd just let me know (bah-dah-dah)
I know your untrue, but im attracted to you all the more
why do i need you so (hey hey hey)

baby baby try to find (hey hey hey)
a lil time and ill make ya happy
ill be home, ill be beside the phone
waitin for you (OoO-OoO)
Why do you build me up (build me up)
Buttercup baby just to let me down (let me down)
And mess me around
And then worst of all (worst of all)
You never call, baby
When you say you will (say you will)
But I love you still
I need you (I need you)
More than anyone, darling

You know that I have from the start
So build me up (build me up)
Buttercup, but don't break my heart

I-I-I need you, more than anyone darlin,
you know that i have from the start

So build me up (build me up)
Buttercup, but don't break my

So build me up (build me up)
Buttercup, but don't break my

So build me up (build me up)
Buttercup, but don't break my heart
