I don't need a heartache
And crushes can be so fake
But sooner than you know it
They turn your world around

So you might think I'm crazy
Oh baby you amaze me
And I want you to promise
You'll never let me down

I, I wanna fall in love
You're everything that makes me get emotional
Oh, I don't wanna kiss and run
'Cause in my heart I know that you're the one

Kind of like your sweet talk
And that could make a good start
But if you wanna move me
Play it straight with my heart

I, I wanna fall in love
You're everything that makes me get emotional
Oh, I don't wanna kiss and run
'Cause in my heart I know that you're the one

I think that you and me are truly meant to be
'Cause I've been waiting for a star to fall
I wish for someone true
And when I look at you I get emotional, so emotional
Oh woh emotional, oh woh emotional
Oh woh emotional, so emotional

I, I wanna fall in love
You're everything that makes me get emotional
Oh, I don't wanna kiss and run
'Cause in my heart I know that you're the one

I, I wanna fall in love
You're everything that makes me get emotional
Oh, I don't wanna kiss and run
'Cause in my heart I know that you're the one

'Cause in my heart I know that you're the one
