Ooh, yeah

Sometimes it's wrong to walk away though you think it's
over

Knowing there's so much more to say
Suddenly the moment's gone and all your dreams are
upside down
If I could only change the way the world goes round

Tell me, have you ever loved and lost somebody
Wished there was a chance to say I'm sorry?
Can't you see, that's the way I feel about you and me,
baby?

Have you ever felt your heart was breaking
Lookin' down the road you should be taking?
I should know 'cause I loved and lost the day I let you
go

Can't help but think that this is wrong
We should be together back in your arms where I
belong
Now I've finally realized it was forever that I've found
I'd give it all to change the way the world goes round

Tell me, have you ever loved and lost somebody
Wished there was a chance to say I'm sorry?
Can't you see, that's the way I feel about you and me,
baby?

Have you ever felt your heart was breaking
Lookin' down the road you should be taking?
I should know 'cause I loved and lost the day I let you
go

I really wanna hear you say that you know just how it
feels
To have it all and let it slip away, can't you see?
Even though the moment's gone, I'm still holding on
somehow
Wishing I could change the way the world goes round

Tell me, have you ever loved and lost somebody
Wished there was a chance to say I'm sorry?

Ohh that's the way I feel about you and me, baby
Have you ever felt your heart was breaking
Lookin' down the road you should be taking?
I should know 'cause I loved and lost the day I let

Yes I loved and lost the day I let
Yes I loved and lost the day I let you go
