What do you get when you fall in love?
A guy with a pin to burst your bubble
That's what you get for all your trouble
I'll never fall in love again
I'll never fall in love again

What do you get when you kiss a guy?
You get enough germs to catch pneumonia
After you do he'll never phone you
I'll never fall in love again
I'll never fall in love again

Don't tell me what it's all about
'Cause I've been there and I'm glad I'm out
Out of those chains, those chains that bind you
That is why I'm hear to remind you

What do you get when you fall in love?
You only get lies and pain and sorrow
So for atleast until tomorrow
I'll never fall in love again
I'll never fall in love again

Out of those chains, those chains that bind you
That is why I'm here to remind you

What do you get when you give your heart?
You get it all broken up and batterd
That's what you get
A hearts that's shattered
I'll never fall in love again
I'll never fall in love again
I'll never fall in love again.....
