I'm gonna make you love me  
Oh, yes I will, yes I will  
I'm gonna make you love me  
Oh, yes I will, yes I will

I'm gonna do all the things for you a guy wants a girl to  
do, oh, baby  
I'll sacrifice for you, I'll even do wrong for you, oh, baby  
Every minute, every hour I'm gonna shower you with  
love and affection  
Look out it's coming in you're direction

I'm gonna make you love me  
Oh, yes I will, yes I will  
I'm gonna make you love me  
Oh, yes I will, you know I will, yes I will

My love is strong, you see  
I know you'll never get tired of me, oh, baby  
And I'm gonna use every trick in the book  
I'll try my best to get you hooked, oh, baby

And every night, every day I'm gonna say  
I'm gonna get you, I'm gonna get you  
Look out boy 'cause I'm gonna get you

I'm gonna make you love me  
Oh, yes I will, yes I will  
I'm gonna make you love me  
Oh, yes I will, yes I will

Every breath I take and each and every step I make  
Brings me closer, baby, closer to you  
And with each beat of my heart for every day that we're  
apart  
I'll hunger for every wasted hour

And oh, every night and every day  
I'm gonna get you, I'm gonna get you  
Look out boy 'cause I'm gonna get you

I'm gonna make you love me

Oh, yes I will, yes I will  
I'm gonna make you love me  
Oh, yes I will, yes I will

I'm gonna make you love me  
Oh, yes I will, yes I will  
I'm gonna make you love me  
Oh, yes I will
