I can tell there's somethin you dont wanna tell me  
Its killin you cause the words are hard to find  
I know you wanna break it to me gently  
Well sweet baby say whats on your mind

(one two three)  
Let 'er rip let 'er fly  
Come on baby say it do you think im gonna cry  
Ain't about a ball  
And I aint gonna lie  
So if your gonna say goodbye dont take all day and  
night  
Let 'er rip let 'er fly

Why the drama  
We dont have to drag out the situation  
It wasnt you it wasnt me sometimes the chemistry dont  
ignite  
There aint no ring no morgage there aint any  
complications  
It just I have to get to work but I'm sure ill be alright

(Chorus)  
Let 'er rip let 'er fly  
Come on baby say it do you think im gonna cry  
Ain't abouta ball  
And I aint gonna lie  
So if your gonna say goodbye dont take all day and  
night  
Let 'er rip let 'er fly

It aint no big deal it aint no big loss  
You and I are on the same train of thought  
So you dont have to tell me where to get off  
Baby i just understood ya  
If ya leave me baby would ya

(Chorus)  
Let 'er rip let 'er fly  
Come on baby say it do you think im gonna cry  
Ain't abouta ball

And I aint gonna lie  
So if your gonna say goodbye don't take all day and  
night  
Let 'er rip let 'er fly

So if your gonna say goodbye don't take all day and  
night  
let 'er rip let 'er fly

I said let 'er rip let 'er fly
