Colour me your colour, baby
Colour me your car
Colour me your colour, darlin
I know who you are

Come up off your colour chart
I know where your comin from

Call me (call me) on the line
Call me, call me any, anytime
Call me (call me) my love
When your ready we can share the wine
Call me

Cover me with kisses, baby
Cover me with love
Roll me in designer sheets
I'll never get enough

Emotions come I don't know why
Cover up loves alibi

Call me (call me) on the line
Call me, call me any, anytime
Call me, my love
When your ready we can share the wine
Call me

Anytime, anyplace, anywhere, anyway
Anytime, anyplace, anywhere, anyway

Call me (call me) on the line
Call me, call me any, anytime
Call me, my love
When your ready we can share the wine
Call me
