Nobody can tell ya there's only one worth singing  
Babe, they try and tell ya  
'Cause it hangs them off to see someone like you

But you've gotta make your own kind of music  
Sing your own special song  
Make your own kind of music, even if nobody else  
sings along

Your going to be nowhere  
The lonleiest kind of lopeing  
It may be worth going  
Just to do your things the hardest thing to do

But you've gotta make your own kind of music  
Sing your own special song  
Make your own kind of music, even if nobody else sings  
along

So if you cannot take my hand  
And if you must be going  
I will understand  
Understand

Make your own kind of music  
Sing your own special song  
Make your own kind of music, even if nobody else,  
even if nobody  
else, if nobody else sings along

Make your own kind of music  
Make your own kind of music  
Make your own kind of music

Sing your song
