Lying beside you  
Here in the dark  
Feeling your heartbeat  
With mine

Softly you whisper  
You're so sincere  
How could our love be so blind?

We sailed on together  
We drifted apart  
And here you are by my side

So now I come to you with open arms  
Nothing to hide  
Believe what I say  
So here I am  
With open arms  
Hoping you'll see  
What your love means to me  
Open arms..

Living without you  
Living alone  
This empty house is so cold  
Wanting to hold you  
Wanting you near  
How much I wanted you home

But now that you've come back  
Turned night into day  
I need you to stay

So now I come to you with open arms  
Nothing to hide  
Believe what I say  
So here I am  
With open arms  
Hoping you'll see  
What your love means to me  
Open arms..
