Think of your fellow man
Lend him a helping hand
Put a little love in your heart
You see it's getting late
Oh please don't hesitate
Put a little love in your heart
And the world, would be a better place
And the world would be a better place
For you, and me, you just wait and see
Another day goes by and still the children cry
Put a little love in your heart
If you want the world to know
We won't let hatred grow
Put a little love in your heart
And the world (and the world), would be a better place
And the world (AND THE WORLD) would be a better
place
For you, and me, you just wait and see
