When the world leaves you feelin' blue
You can count on me
I will be there for you
When it seems all your hopes and dreams
Are a million miles away
I will reassure you
We've got to all stick together
Good friends are there for each other
Never ever forget that I've got you and you've got me
So reach for the stars
Climb every mountain high
Oh, reach for the stars
Follow your heart's desire
Reach for the stars
And when that rainbow's shining over you
That's when your dreams will all come true
There's a place waiting just for you
It's a special place
Where your dreams all come true
Fly away (fly away)
Swim the ocean blue (swim the ocean blue)
Drive that open road
Leave the past behind you
Don't stop, gotta keep movin'
Your hopes, gotta keep buildin'
Never ever forget that
I've got you and you've got me
Chorus
