Girl close your eyes let that rhythm get into you
don't try to fight it there ain't nothin' that you can do
relax your mind lay back and gove with time

You gotta feel that heat and we can ride the booga
share the beat of love

I wanna rock with you (all night)
dance you into the (sun light)
I wanna rock with you (all night)
rock the night away

Just take it slow we got some fun to go
you gotta feel that heat and we can ride the booga
share that beat of love

I wanna rock with you (all night)
dance you into the (sun light)
I wanna rock with you (all night)
gotta rock the night away

and when that grove is dead and gone
come on baby
we gotta love so fine
and we can rock forever

I wanna rock with you all night

Yah!
