All:

You know you've gotta have friends  
The feeling's oh so strong  
You've gotta have friends  
To make that day last long

I had some friends but they're gone  
Something cam and took them away  
And from the dusk til the dawn,  
Here is where I'll saty

Taylor:

Standing at the end of the road boy,  
Wait'n for my new friends to come

Chauncey:

I don't care if I'm hungry or cold

Lucy:

I better get me some of them

All:

Cause you've got to have friends,  
La la la la la la la la la  
Friends (just like you)  
Oh yes, Yeah Yeah I say

Lucy:

You've got to have friends (I'm talkin about)

All:

friends (that's right)  
friends  
friendsa friendsa friendsa  
I have some friends but they're gone, something cam  
and took them away,  
and form the dusk til the dawn,  
here is where I'll stay

You know you've got to have friends (Taylor:Oh, Oh, Oh  
yeah)

Friends (Tori:I've got good friends)

Friends(Chauncey:You've gotta have them)  
I'm glad I have friends
