Hold out for the revelation
You're assured a transformation
You will be a new creation
Yeah, Yeah
He'll restore you to mint condition
He will give you a newfound vision
Fill your heart with a worthy mission
Yeah Yeah yeah Yeah
To the proud, to the meek
To the strong, to the weak
Yeah yeah yeah
Brown and yellow
Black and white
You are precious in His sight
Yeah, do it in God's will
Be a City on Hill
It's a trip that's worth taking
It will heal the heart that's aching
It's the truth and I'm not faking
Yeah, yeah
You can feel it in your heart and soul always
It will change the way
You see the world everyday
Be a soldier of light
A song in the language of love,
Yeah yeah yeah
To the proud, to the meek
To the strong, to the weak
Yeah yeah yeah
Brown and yellow
Black and white
You are precious in His sight
Yeah, do it in God's will
Be a City on Hill
There ain't no reason to be down
Stand like a city free and proud
To the proud, to the meek
To the strong, to the weak
Yeah yeah yeah
Brown and yellow
Black and white
You are precious in His sight

Yeah, do it in God's will
Be a City on Hill
Repeat
