Here in this moment
I choose to believe
To call on the invisible
As if it could be seen

Here in this moment
I am unafraid
To take part in His suffering
And be called by Jesus name

And I stand unashamed
I know I've been crucified with Christ
With all my heart, my soul, my might
I lift up my hands, lay down my life
I'm crucified with Christ, crucified with Christ

Here in this moment
I lay down my life
Still I know I am in this world
A living sacrifice

Here in this moment
I count all gain as loss
Take all my pride and sinfulness
And nail it to the cross

And I stand unashamed
I know I've been crucified with Christ
With all my heart, my soul, my might
I lift up my hands, lay down my life
Crucified

Who is this King
This King of Glory?
Who was and is and who will be
Savior of man, if I die with Him
And like Jesus, I will rise again

I know I've been crucified with Christ
With all my heart, my soul, my might
I lift up my hands, lay down my life
I'm crucified with Christ

I lift up my hands, lay down my life
Crucified, crucified
