We come this far,  
By light of day,  
Through deserts of loneliness,  
To the sacred place,  
Well you know my life,  
And all I've been through,  
The sin in my heart,  
Has kept me from you,  
But father your grace,  
Is greater then sin,  
Your mercy rains down,  
And heals me again.  
All I can do is fall down on my knees and cry, holy,  
holy, holy.  
All I can do is fall down on my knees and cry, and cry  
holy, holy, holy  
You are holy  
When I'm on my face,  
In my darkest night,  
I cry for a way,  
To your shining light,  
And father your grace,  
Is greater then sin,  
Shines down on me,  
It heals me again.  
All I can do is fall down on my knees and cry holy, holy,  
holy.  
All I can do is fall down on my knees and cry holy, holy,  
holy.  
You are holy.  
You are holy.  
Oohh you are holy, holy, holy  
And father your grace,  
Is greater then sin,  
It shines down on me,  
And heals me again.  
All I can do is fall down on my knees and cry, holy,  
holy, holy.  
All I can do is fall down on my knees and cry, and cry  
holy, holy, holy.  
You are holy, holy  
You are holy, holy, holy

All I can do is fall down on my knees and cry,  
Cry holy, all I can do, is cry out for you, all i can do is  
cry, holy.
