"fly again"

Visit "[fly again](#)" on MotoLyrics.com

Remember the days when it used to be
I was the one living out my dreams
Whatever happened to that great big smile
When did it not become my style

Life started breaking me down, making me doubt
Who I was in Your love
Life started breaking me down, making me doubt
Who I was in Your love

Chorus:
So Lord help me fly again
Help me to breathe again
I just need Your hand, I just need Your hand
Lifting me up within

So Lord help me fly again
Teach me to breathe again
I just need Your hand, I just need Your hand
Lifting me up within
I wanna fly again

Remind me of the way it used to feel
When we were face to face and it was so real
Speaking volumes never using words
When did I forget to put this first

Life started breaking me down, making me doubt
Who I was in Your love
Life started breaking me down, making me doubt
Who I was in Your love

Chorus

So Lord help me fly again
Help me to breathe again
I just need Your hand, I just need Your hand
Lifting me up again
I wanna fly again

Lord help me fly again

Teach me to hope again
I just need Your hand, I just need Your hand
Lifting me up again

Lord help me fly again
Teach me to hope again
I just need Your hand, I just need Your hand
Lifting me up again

So Lord help me fly again
Teach me to live again
I just need Your hand, I just need Your hand
Lifting me up within
I want to fly again
Teach me to live again
I just need Your hand, I just need Your hand
Lifting me up within
I wanna fly again
I want to fly again
