Think about it
There must be higher love
Down in the heart or hidden in the stars above
Without it, life is wasted, time
Look inside your heart I'll look inside mine

Things look so bad everywhere
In this whole world what is fair.
We walk blind and we try to see
Falling behind in what could be

Bring me a higher love
Bring me a higher love oh oh
Bring me a higher love
Where's that higher love, I keep thinkin' of

The world is turning
And we're just hangin' on
Facing our fear and standing out there alone
A yearning and it's real to me
There must be someone who's feeling for me.

Things look so bad everywhere
In this whole world what is fair.
We walk blind and we try to see
Falling behind in what could be

Bring me a higher love
Bring me a higher love oh oh
Bring me a higher love
Where's that higher love, I keep thinkin' of
Bring me a higher love
Bring me a higher love oh oh
Bring me a higher love
I could rise above on a higher love

I will wait for it,
I'm not too late for it
Until then I'll sing my song
To cheer the night along

I could light the night up with my soul on fire,
I could make the sunshine from pure desire
Let me feel that love come over me
Let me feel how strong it could be.

Bring me a higher love
Bring me a higher love oh oh
Bring me a higher love
Where's that higher love, I keep thinkin' of
Bring me a higher love
Bring me a higher love oh oh
Bring me a higher love

Bring me a higher love
Bring me a higher love oh oh
Bring me a higher love
It's all we need, all we need.
Bring me a higher love

Bring me a higher love
Bring me a higher love oh oh
Bring me a higher love
Where's that higher love I keep thinkin' of?
Bring me a higher love
Bring me a higher love oh oh
Bring me a higher love
Where's that higher love, I keep thinkin' of
