I woke up to another day,  
Another day to celebrate,  
Your beauty and your mystery,  
Is more than any eye can see.  
I'm not the man I was before,  
With you my life is so much more.  
Break the chains and open doors,  
To a world I can't ignore.

Lord, let me shine,  
Shine like the moon,  
A reflection of you,  
All that I do.  
Lord let me be,  
A light for your truth,  
Light of the world,  
I want to be used,  
To shine for you.

As simple as a passing smile,  
Or listening a little while,  
To someone that's convinced that,  
They are in this all alone.  
Well, here's my chance to share the news,  
To introduce the good that's you.  
Here you go again,  
You never cease to blow my mind.

Lord, let me shine,  
Shine like the moon,  
A reflection of you,

All that I do.  
Lord, let me be,  
A light for your truth,  
Light of the world,  
I want to be used,  
To shine for you.

You're the love that we all need,  
You lift us up to our feet,  
Hold the key to eternity,

The King of Kings alive in me.

Lord, let me shine,  
Shine like the moon,  
A reflection of you,  
All that I do.  
Lord let me be,  
A light for your truth,  
Light of the world,  
I want to be used,  
To shine for you.

Lord, let me shine,  
Shine like the moon,  
A reflection of you,  
All that I do.  
Lord let me be,  
A light for your truth,  
Light of the world,  
I want to be used,  
To shine for you.

To shine for you.

To shine for you.

To shine for you.
