### "Waiting for Time"

Visit "[Waiting for Time](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Sorry I lost it  
Something came over me  
Is there a lesson somewhere in this awful tragedy  
You didn't deserve that  
Nobody does  
Maybe we will make it  
Maybe not  
Only time can tell you  
What you really got

Time is all that can undo those things I said  
I'm gonna have to wait 'til you forgive me in your head  
Summer will come, but Winter's what i dread

Your disappointment isn't easy to bare  
Mine is harder waking up to find that you aren't there  
Now that you've seen it  
My demons revealed  
Maybe we'll get better  
Maybe worse  
Only time will tell us  
How much it really hurts

Time is all that can undo those things I said  
I'm gonna have to wait 'til you forgive me in your head  
Summer will come, but Winter's what I...

Dread to think I've thrown away the only love i ever had  
Made a bloody stupid mistake  
Makes me really fucking mad  
I wanna see you happy  
Hope it's me that makes you happy  
But I know you need a minute  
Or a month  
Or a year to forgive me

Time is all that can undo those things I said  
I'm gonna have to wait 'til you forgive me  
In your head  
Summer will come but winters what i dread

What i dread  
What i dread  
What i dread  
What i dread  
What i dread  
What i dread
