I keep thinking about a world that's different  
than what i'm seeing everyday  
I keep waiting for a new tomorrow  
when all the pain's gonna fade away

I want to know if it's even possible  
the river's crossable  
to the other side  
where we live a better life

What would it be like  
if we learned to love each other  
and what would it be like if we lived like we believe  
that everybody matters  
'cuz we're all here together  
and we all need each other  
to make it through this life  
What would it be like?  
What would it be like?

No tears from a worried mother  
and No cry from a hungry child  
No fear of a runaway father  
leaving the broken family behind  
And everything wasn't all about money  
and chasin' the money  
No we're losin our minds  
Is it really worth our time?

What would it be like  
if we learned to love each other  
and what would it be like if we lived like we believe  
that everybody matters  
'cuz we're all here together  
and we all need each other  
to make it through this life  
What would it be like  
if we turned our eyes to Jesus?  
And if we let his love pour through us?  
And if we let his life just lead us?  
That's the only way we will ever see the world start to

change

What would it be like?

What would it be like  
if we learned to love each other  
and what would it be like if we lived like we believe  
that everybody matters  
and we're all here together  
and we all need each other  
to make it through this life  
What would it be like...  
What would it be like...  
What would it be like...  
What would it be like...?
