I'm in love with Music

#### Verse 1

From the bottom to my head  
I, can feel it through my body  
I can feel it through my hands  
I, can feel it through my vein  
I can feel the beat runnin through my blood cells  
I can feel the beat bumpin in my brain

#### Pre-Chorus

I can feel the melody inside of me  
Flowing through my hands  
Jumping through my chest  
Bumpin in my brain brain brain

#### Chorus

I'm in love with music  
I'm in love with music  
I'm in love with music  
I'm in love with music  
Love it when it's bumpin  
Cuz it flows right in my system  
I just can't help it cuz  
I'm addicted  
I'm in love with music  
I'm in love with music

#### Verse 2

It's no obsession, it's an addiction  
Can't live without it, cuz it helps with my emotions  
When I'm sad, it gives me a smile  
And when I'm down it helps me forget the hurt

#### Pre-Chorus

I can feel the melody inside of me  
Flowing through my hands  
Jumping through my chest  
Bumpin in my brain brain brain

#### Chorus

I'm in love with music  
I'm in love with music  
I'm in love with music  
I'm in love with music  
Love it when it's bumpin  
Cuz it flows right in my system  
I just can't help it cuz  
I can feel it  
I'm in love with music  
I'm in love with music

#### Bridge

Just the sound is so captivating  
I just can't help but groove to the music  
When I hear it, I can feel it  
It's something that became part of me  
Just the bass, piano and strings  
Creates a melody that makes you feel good  
So much passion, so much life  
There's only one way to describe how I feel and it's I'm  
in love

#### Chorus

I'm in love with music  
I'm in love with music  
I'm in love with music  
I'm in love with music  
Love it when it's bumpin  
Cuz it flows right in my system  
I just can't help it cuz  
I can feel it  
I'm in love with music  
I'm in love with music
