1.

Sharing all the secrets of the world to make the story
Of a life
Clockworks of tomorrow never ends it always take
Another turn,
Around.
Make it your alliance, and the rest of us will care if
You are here.
Giving up, I... m giiving in, a given intervention from
Above.
The modern age.

Chorus:

You wanna go, out there,
You loved me not.
Rotation forward.
Now you know
Now you know
