1.

There are cold numbers
On a blank sheet of asteroids
In the sunrise of shame
Towers tall and straight

Pre Chorus:

Uncut,
Roadblock

2.

You can... t just decode that.
Out of the mid-woods twilight.

Pre Chorus:

Uncut,
Roadblock

Chorus:

There... s a channel for a curcuit in the other hall
I... m staring at the teatre of opposite
Cause we are living in the centre of a halomet
And I will never care for plans that you have made for
Me

3.

(I... m on your side)
There are cold numbers

You can... t just decode that
Out of the mid-woods twilight

Pre Chorus:

Uncut,
Roadblock

Chorus:

There... s a channel for a curcuit in the other hall
I... m staring at the teatre of opposite
Cause we are living in the centre of a halomet
And I will never care for plans that you have made for

Me

Chorus:

There... s a channel for a curcuit in the other hall

I... m staring at the teatre of opposite

Cause we are living in the centre of a halomet

And I will never care for plans that you have.
