OW!

I don't know what I want, I can't get no peace

All I really know is, I don't need no breeze

Hangin' religion around my back, be a science-fiction  
feeling of fact

I don't know what I want, I can't get no peace

I got two fine cars, a house and a job

And by the time I'm 35, I'll be a fat slob

I don't care about 1985, cause if I ain't dead, you know  
I'll be half alive

I don't care about 1985,

C'mon, get it while you can, there ain't much left to take

Go on, get it while you can, there ain't much left to take

Get it while you can, just like a 20th century man

You'll be a 20th, century man

A 20th, century man

I'm a 20th century man

(Yeah!)

(phone ringing)

Aw Shit

Hey, get outta there!

Watch it!

(scream)

Hey, shut the door man, what's the matter with ya?

Ah, don't know what I want, I can't get no peace

Cause I'm a

20th, century man

Just a 20th, century man

I'm a 20th, century man

Be a 20th, century man

Get it while you can, there ain't much left to take  
no

Go on

Get it while you can, there ain't much left to take

You got ta

Get it while you can, just like a 20th century man

Go, on be a

20th, century man

I'm a

20th, century man

Just a

20th, century man  
I'm a  
20th, century man  
Just a  
OW!  
{to fade}  
I'm a  
Just a
