Yeah, you know my blood is red
And ooh, child my skin is pure white, yeah
And I don't pull no punches
If some fool wants to fight
Cause the kid ain't afraid to get up and make a stand
Oh, no, no, no
For love or money, I get it any way I can
You know I will

I'm an all American boy
All American man
Yea, yes I am
I'm just an all American boy
Baby, I'm an American man
That's what what I am

And I love European women, give me a European car
Cause you know baby, I love bein' a star, yea I do
Ooh, star-spangled guitar

I got the big one for my lady
Now is that too hard to understand?
Oh, I thought so baby
From New York to Memphis
I got a hundred million supermen
Oh, that's what I am

I'm an all American boy
Baby, I'm an American man, well yes I am
I an all American boy
I'm your Uncle Sam
Well that's who I am

Yes, we're all American boys
We're all American men

Oh yea
Oh, you expect us, American men
I say the USA, well that's okay
Americian ways
Well love it, leave it, love it baby

Cause I'm your Uncle Sam
