If you get lonely on your daddy's farm  
Just remember I don't live too far.  
And there's a red bridge that arcs the bay, yeah  
You'll be at my place in less that a day.

So get on your bad motor scooter and ride  
Up over to my place and stay all night.  
First thing in the morning we'll be feeling all right  
So get on your bad motor scooter and ride.

Ooh, the last I seen your face  
I swore that no one would take your place.  
Now since you've been gone I've been feelin' bad, yeah  
I'd come out to your place (but)  
I'm afraid of your dad. So you...

Ride, ride, ride.  
Come on baby, ooh yeah.  
Crank it on up!
