My baby came and got me in her Mama's Cadillac  
We went parkin' by the river near the honeydew patch  
She started talkin' 'bout the birds and the bees  
My mind ran wild with the possibilities  
Like Rhett and Scarlett climbin' up the stairs  
We were on our way to heaven in the melons out there

She was the centerfold picture in a country boy's  
dream  
Prettiest thing I ever had seen  
Tupelo honey in a pair of blue jeans  
The upper Mississippi Delta Cotton County Queen

She had a judge for a Daddy, he made her tow the line  
Brother he was tougher than a year of hard time  
He came by and caught us rollin' in the weeds  
Said "Boy get goin' if you're ever gonna leave"  
I took off runnin' out of that place  
All the while thinkin' 'bout her beautiful face

She was the centerfold picture in a country boy's  
dream  
Prettiest thing I ever had seen  
Tupelo honey in a pair of blue jeans  
The upper Mississippi Delta Cotton County Queen

Snuck up to the house in the heat of the night  
Hid in the hedge 'til they turned out the lights  
Tapped on the windows said "Darlin' let's go"  
And we were gone with the wind in her El Dorado

She was the centerfold picture in a country boy's  
dream  
Prettiest thing I ever had seen  
Tupelo honey in a pair of blue jeans  
The upper Mississippi Delta Cotton County Queen

Yeah she's the cerfold picture in a country boy's dream  
The upper Mississippi Delta Cotton County Queen  
Upper Mississippi, Delta Cotton County Queen
