I don't need you to tell me I'm pretty  
To make me feel beautiful  
I don't need you to give me your strength  
To make me feel I'm strong  
I've got all of the strength that I need  
Here inside my own two hands  
All that I want is your love  
And respect for who I am  
What I really need  
Comes from deep inside of me

Chorus:

Don't need you to tell me I'm pretty  
To make me feel beautiful, no  
Don't need you to make me strong  
'Cause I'm strong on my own  
Doesn't come from outside  
This beauty I know  
Comes from inside my soul  
Don't need you to tell me I'm pretty

I don't need you to believe in me  
To make me know I'm worth only even end  
I don't need you to lift me up high  
To know I can stand tall, I can stand tall  
I can stand my own ground  
I can stand proud upon my own two feet  
Don't have to be part of somebody else to be complete  
What I really need  
Comes from deep inside of me

Chorus

Don't need to come to you for confirmation  
Because I've finally come to this revelation  
What I really need (what I really need, yeah)  
You'll find inside of me (find inside of me)  
Not in somebody else  
Respect comes when  
You respect yourself

Chorus
