"Eagles Fly"

Sunday morning 9 a.m.
I saw fire in the sky
I felt my heart pound in my chest
I heard an eagle cry
Now I'm alive I can breathe the air
Feel the wind, smell the earth in the air
I watch an eagle rise above the trees
Project myself into what he sees
Hey-
Take me away
Come on and fly me away
Take me up so high
Where eagles fly
I often dream I sail through the sky
I've always wished I could fly
The simple life of a bird on the wing
Oh Lord, I could sing
Take me away
Come on fly me away
Lift me up so high
Where eagles fly
Oh yeah-
I'm alive, I breathe the air
Wash the earth from my face
I catch a glimpse of another dream
I turn, I look but there's no trace
Take me away
Come on, fly me away
I wanna fly away
Pick me up so high
Where eagles fly
Oh yeah-
Eagles fly, oh, take me away
Eagles fly, oh, take me away
Come on, let's fly away where eagles fly
Come on, fly away where eagles fly
