"Flamingos Fly"

You lay by my side in the still of the night
Let morning bring forth, all that's wondrous, wondrous
to light
You could have made it, made it more plain
When I hear that, hear that soft refrain
And I hear you gently sigh

Chorus:

I wanna take you where flamingos fly
(Flamingos fly)
Way over yonder in the clear blue sky,
That's where flamingos fly

As we lie in the dark and hear the sweet song of the
nightingale
And we listen for the lark, and I wanna tell you babe,
tell you a
tale
With the soft wind blowin', blowin' outside
Hey I wanna take that moonlight ride
And I hear you gently sigh, babe

[Chorus]

And I'm silently waiting
For that morning light to shine
And I'm looking at you, lookin at me, and I'm lookin' at
you
And I'm anticipating with each and every sign
Yes, I'm lookin' at you, lookin' at me,
Lookin' at you, lookin' at me, lookin' back at you

And I'm findin' that road
That road that will take me, take me back home to you
baby
And I'll carry the load where the deer and angels roam
Where happiness touches, touches the now
I don't where it came from, I don't how, and I,
And I hear you gently sigh, babe

[Chorus x 2]
