"Free Money"

Every night before I got to sleep
Find a ticket, win a lottery.
Scoop those pearls up from the sea,
Cash them in and buy you all the things you need.
Every night before I rest my head
I see those dollar bills go swirling all around my bed.
I know they're stolen but I don't feel bad
I'll take that money and buy you things you've never
had.
Oh baby it would mean so much to me
Oh baby to buy you all the things you need for free.
If you believe, believe in me.
Where were you, babe? Where were you babe?
Where were you babe? Where were
I had free money, free money, I had free money...
I had a dream about you, a dream about me
And we had free money and a black limousine.
Everything was new, it was clean.
And you reached out for the ring, a diamond ring
But it wasn't real, it was a dream.
I woke up and I screamed!
I want you, free money!
