Oooh--

I can see that you've got fire in your eyes

And pain inside your heart

So many things have come and torn your world apart

Oh baby, baby, baby, don't give up, don't give up

don't give up

If you want love

If you want love, you've got to give a little

If you want love

If you want faith, you just believe a little

If you want love

If you want peace, turn your cheek a little

Ohhh, you've got to give

You've got to give

You've got to give.....to live

An empty hand reaching out for someone

An empty heart takes so little to fill

It's so much easier to push instead of pull

Oh baby, baby, baby

Don't give up, don't give up, don't give up

If you want love

If you want love, you've got to give a little

If you want love

If you want faith, you just believe a little

If you want love

If you want peace, turn your cheek a little

Ohhh, you've got to give

You've got to give

You've got to give.....to live

Each man's a country in his own right

Oh, every body needs a friend

One friend, one God, one country

No man need defend

I believe in fate and destination

But so much of that lies in our own hands

If you know what you want, just go on out and get it

Oh baby, baby

Don't give up, don't give up

Yeah, yeah

If you want love

If you want love, you've got to give a little
If you want love
If you want faith, you just believe a little
If you want love
If you want peace, turn your cheek a little
You want love
You've got to give
If you want love
Give to live
You've got to give to live
Give to live
Give to live
If you want love
If you want love
If you want love
You've got to give
You've got to give
You've got to give
