"Hungry"

Girl, you got this need to know what I'm all about
You say there's something that you dig, but can't figure
out.
Well, you want to know what moves my soul
And what ticks inside of my brain.
Well, I got this thing I just can't control
And it's driving me insane - I can't take it!
Because I'm hungry for that good thing, baby.
Hungry through and through.
I'm so hungry for that sweet life, babe
With a real fine girl like you.
I can almost taste it, sweet as wine.
In this custom-tailored world I'm gonna own someday
With a special place way up high we can stay alone, you
and me.
Well, girl, I'm gonna have it all someday,
If you'll just hold on to my hand.
If I break some rules along the way I want you to
understand
It's my way of gettin' what I want. Oh!
I won't waste it, baby, 'til you're finally mine.
I'll spend every minute, every hour, and every day 'til I
get my fill
Now, girl I'll be rolling in any day,
You know I will.
