You trust in me, I trust in you.  
And the world of changes, baby, we've been through.  
And the good times come, and the good times fly.  
Now you ask me, "Where do we go from here?"  
Well, baby, I don't know, it's not quite clear.  
But in a couple of days it should be fine.  
Baby, all we need is just a little time.  
If I had it all to do over again.  
I wouldn't change one thing.  
If I could turn it back to say where or when.  
Oh, no, I wouldn't change a thing, no, no.  
I've always wondered 'bout the other guys, yeah.  
Does anyone ever cross your mind?  
Oh, baby, I don't like to think of you that way, oh, no.  
But that was then, now it's today.  
If I had it all to do over again.  
I wouldn't change one thing.  
If I could turn it back to say where or when.  
Oh, no, no, I wouldn't change a thing, oh, no.  
Take me back, turn it over just one more time.  
And brush away the dust, and make it shine.  
Or strip it down to heaven or hell.  
It won't matter, the way I fell for you, oh, no.  
I wouldn't change one thing.  
If I had it all to do over again.  
I wouldn't change a thing.  
If I could turn it back to say where or when.  
No, I wouldn't change one thing.  
If I had it all to do over again.  
I wouldn't change a thing  
If I could change it back to say where or when.  
I wouldn't change one thing...  
[Repeat to fade]
