Headed for a new day.
I can see the light.
Hard times behind us
And we hope with all our might, yeah.
It feels like a new wave.
Fresh mountain air.
Oh, it's gonna be all right.
Yea, it's gonna be all right.
I said, it's gonna be all right.
It's gonna be all right.
America the beautiful.
Yea, I'm proud to say.
'Cause things are gettin' better.
Gettin better every day.
We've got a man we can believe in.
I know it's been a long time.
Well, hey, it's gonna be all right.
Oh, it's gonna be all right.
Heave ho, it's gonna be all right.
It's gonna be all right.
It's all right, it's all right!
Heave ho, it's gonna be all right.
'Cause I say, it's gonna be all right.
Oh yea, it's gonna be all right.
It's gonna be all right.
We may be young
But we're strong
And cant be wrong
(Can't be wrong)
We've only just begun
(Just begun)
To be right.
To be right.
To be right.
Yeah, funny how the whole world
Is the same as me and you.
Just goin' through the changes
The way that we do.
You know I'll always love you
For the rest of our life.
Well, baby, it's gonna be all right.

Yea, it's gonna be all right.
I know, it's gonna be all right.
It's gonna be all right.
Yea, it's gonna be all right
Oh, it's gonna be all right.
I know, it's gonna be all right.
It's gonna be all right.
