Keep on a rockin', keep on a rockin')  
(Keep on a rock n roll's gonna never die)  
I was born in the fifties  
I was loud and electric  
Didn't I turn you on?  
Got all shook up with Elvis  
Yeah, yeah, I've been Beatled  
I've been Rolling Stoned

Watch it!  
A hot flash at Woodstock  
I encored there  
With your favorite song

The crowd was screamin',  
"Give us rock n roll!"  
When the spotlight hits me  
I always steal the show

(Keep on a rockin', keep on a rockin')  
(Keep on a rock n roll's gonna never die)

Baby I am the music  
I am every note and I'm every chord  
I'm the star of tomorrow  
Yeah, I'm the holy ghost of the ever more  
Ooh yeah

The crowd was screamin',  
"Give us rock n roll!"  
When the spotlight hits me  
Put on my axe and I blow...

Like this:  
Fats Domino..  
Shake, rattle, and roll all night long  
When the rock is right, you can't go wrong, no  
(no, you can't go wrong)  
Some things never last  
But the beat goes on and on and on and on  
Ooh baby, you rock on

(Keep on a rockin', keep on a rockin')  
(Keep on a rock n roll's gonna never die)  
You just keep on a rockin', and you roll it  
Rock n roll it, rock n roll it all night long  
Baby, you just rock it , rock n roll it all night long...
