Well I got a cousin that's twice removed  
Had a crush on a girl back in school  
She didn't know it he didn't let it show  
Now she's married to a banker in El Paso

You gotta swing that hammer  
And beat that drum  
Swing that hammer beat that drum  
Work work work  
It's a labor of love

Well I once knew a couple from Arkansas  
And she did hair and he hauled logs  
Saved up their money and built on a room  
Now there's three of them where there used to be two

You gotta swing that hammer  
And beat that drum  
Swing that hammer beat that drum  
Work work work  
It's a labor of love

No matter if you're low class, high class, middle class  
Well it don't discriminate, no it don't  
It don't matter if you're redneck, intellect, a beatneck  
Well it all works the same, Lordy Lordy Lordy Lord now

You gotta swing that hammer  
And beat that drum  
Swing that hammer beat that drum  
Work work work  
It's a labor of love

Gotta swing that hammer  
And beat that drum  
Swing that hammer beat that drum  
Work work work  
It's a labor of love

Work work work  
It's a labor of love
